

## Overview of the Inclusive Leadership Institute

As our society continues to grow increasingly diverse, organizations across industries will continue to see an increase in diverse employee groups. In order to successfully recruit and retain diverse employees, it is imperative that organizational leaders work to create an organizational culture that demonstrates a commitment to diversity, inclusion, and equity. This three part workshop series has been designed to lay the foundational knowledge of Diversity, Equity, and Inclusion and encourage a deeper understanding of the complexities of culture and diversity in order to empower organizational leaders to be agents of change who are informed and empowered to effectively lead diversity and inclusion initiatives in a culturally responsive manner. This Leadership Institute will work to develop consciously inclusive leaders who can be instrumental in cultivating a more inclusive employee experience for both current and future employees of an organization.
